

# ACADEMIC ENGLISH V

## Supplement

**The Academic English Supplement is intended for those who present papers at international conferences, symposiums or seminars. It gives advice on how to describe slides, graphs, tables, diagrams, and figures, how to read mathematical expressions and chemical symbols, and how to understand chemical formulas.**

**Irena Dvořáková (FNSPE CTU), Petr Distler (FNSPE CTU),  
Eva Valentová (FEL UWB), Jeremy King (FST UWB)**

FNSPE CTU = Faculty of Nuclear Sciences and Physical Engineering, Czech Technical University

FEL UWB = Faculty of Electrical Engineering, University of West Bohemia

FST UWB = Faculty of Mechanical Engineering, University of West Bohemia
